“Locomotives P4 Conversions” by Mike Ainsworth

Mike has been at the forefront of Scalefour Society for many years, with years of experience of modelling to P4 standards. Presently, Mike is the Society Secretary, you can see examples of his conversion work all over the country and in the model press. So make a date in your diary for July 12th.

The S4 Eastwood layouts should be erected and available for running, the EM gauge Hope under Dinmore could be up, so members are encouraged to bring models to display and run, before the talk, during the break and after the talk.

Tea/coffee and biscuits will be available at the meetings.

The meeting is open to all, whatever scale and standards you work in.
