“Model Workshop Tools Workshop”

An Evening Workshop and Demonstrations of hand and power tools by a team of SHMRC experienced modellers

We don't expect to have any layouts up for running as space is limited, so members are encouraged to bring models to show and talk about.

Tea/coffee and biscuits should be available at the meetings.

At the end of the evening members are invited to join the Portsmouth locals at "The George" just down the road before they go home .

The meeting is open to all, whatever scale and standards you work in.
