

# SOUTH HANTS AREA GROUP

For Finescale Modellers

SHAG (*Phalacrocorax aristotelis*)

The next meeting will be held on

**Tuesday 14th May at 7.30pm**

at the Southampton Model Railway Society  
clubrooms, Kemps Quay, Bitterne, SO18 1BZ

## **3 Layouts and a Brief Intro to 3D Printing**

**SMRS** will be showing and running 3 layouts for our entertainment, including their new Kilmundy and Lower Exbury.

Plus we plan to have a short discussion about 3D printing.

We function as area groups for both societies (EMGS & ScaleFour), and aim to encourage finescale modellers in any scale.

Our meetings are open to all local modellers, whatever scale or gauge they follow.

At the end of the evening you are invited to join us at "The Station" pub next to Bitterne station.

For directions to Kemps Quay please refer to the Southampton MRS website - <https://southamptonmodelrailwaysociety.wordpress.com/contact-us-2/>
